Cake Serving Size Guide

Cake serving size can vary depending on the shape of your cake and who's in charge of cutting. For the purposes of this chart, party serving amounts are based on cake slices that measure about 1 ½ x 2 inches in size. Wedding servings are based on slices that measure about 1 x 2 inches in size. Remember that the number of servings are intended as a guide only. Actual results may vary.

| Two Layer Cake | | | | |
|--|-------------------|-------------|-----------------------|-------------------------|
| *Base price includes a basic decorated cake with a top border, bottom border and writing. Any additional decorations or fillings will have an additional charge* | | | | |
